

Corsair 31CR

Centre Cockpit Cruiser Racer

2009 Specification

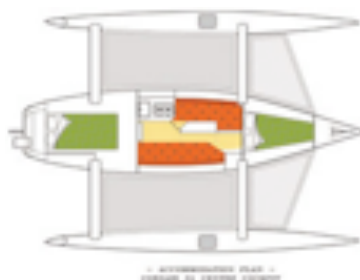

All Corsair 31 models, like all other Corsairs, incorporate the exclusive folding system, which enables them to be easily trailered, greatly extending your sailing horizons. The cockpit is spacious with all control lines leading aft for ease of sail handling and control. The Corsair 31CR is essentially an Ultimate Cruiser with the marine head compartment under the V-berth. This allows for a V-berth in the forepeak.

Base Boat package includes all the following features:

- Lightweight aluminum folding system
- Rotating aluminum wing mast with carbon tip, main, jib, spinnaker and screecher halyards; roller furling boom with internal outhaul & in-boom hardware for jiffy or slab reefing; stainless steel standing rigging; two Harken B40.2 self tailing primary winches with 12" handle; one Harken B32.2 self tailing cabin top winch, two Harken B40.2 coaming winches; Harken Big Boat Series, windward sheeting car, Harken Hexa-cat™ 8:1 mainsheet system; two jib sheets; five deck-mounted clutches for main, jib, spinnaker, and screecher halyard, plus tack line.
- Carbon fibre bowsprit with deck hardware for spinnaker & screecher
- One foredeck hatch; one hatch in each float
- Anchor locker
- Electrical system with breaker panel, test meter, 12V accessory outlet, & master switch; navigation, foredeck & cabin lights
